Course Number: 34 (MSK MRI for FRCR - How to report MRI Shoulder ?)

The screenshot shows a Zoom meeting interface. On the left, a slide titled "COMPLICATIONS" lists "Axillary nerve injury" with sub-points "denervation" and "changes in deltoid and teres minor". To the right are three MRI images of a shoulder. A "Participants (593)" window is open on the right, showing a list of participants including "Dr Khan's Teaching (Host, me)", "Sajid Butt (Co-host)", and "Mahwish Arshad (Co-host)". The "Participants" icon in the bottom toolbar is circled in red. The bottom toolbar includes icons for "Unmute", "Start Video", "Security", "Participants", "Polls", "Chat", "Share Screen", "Pause/Stop Recording", "Reactions", and "End".
