Testimonials

- Thank you, Dr. Hassan. Your teaching is nothing short of extraordinary. You have an exceptional gift for transforming complex radiological concepts into clear, engaging lessons that stay with us long after class ends. Your passion for radiology shines through every explanation, every diagram, and every case discussion. You don't just teach—you inspire, challenge, and elevate every student lucky enough to learn from you (Malaysia).
- This session by Dr. Hassan Rehman was absolutely brilliant, really too good. The cases, explanation, and especially the management aspect were amazing. Learned a lot today. Thank you, Dr. Hassan and team DKT (Pakistan).
- Excellent cases and explanation by Dr. Hassan Rehman. Thank you very much (UK).
- Sir is very particular about the management, which is personally very helpful for me (India).
