Testimonials

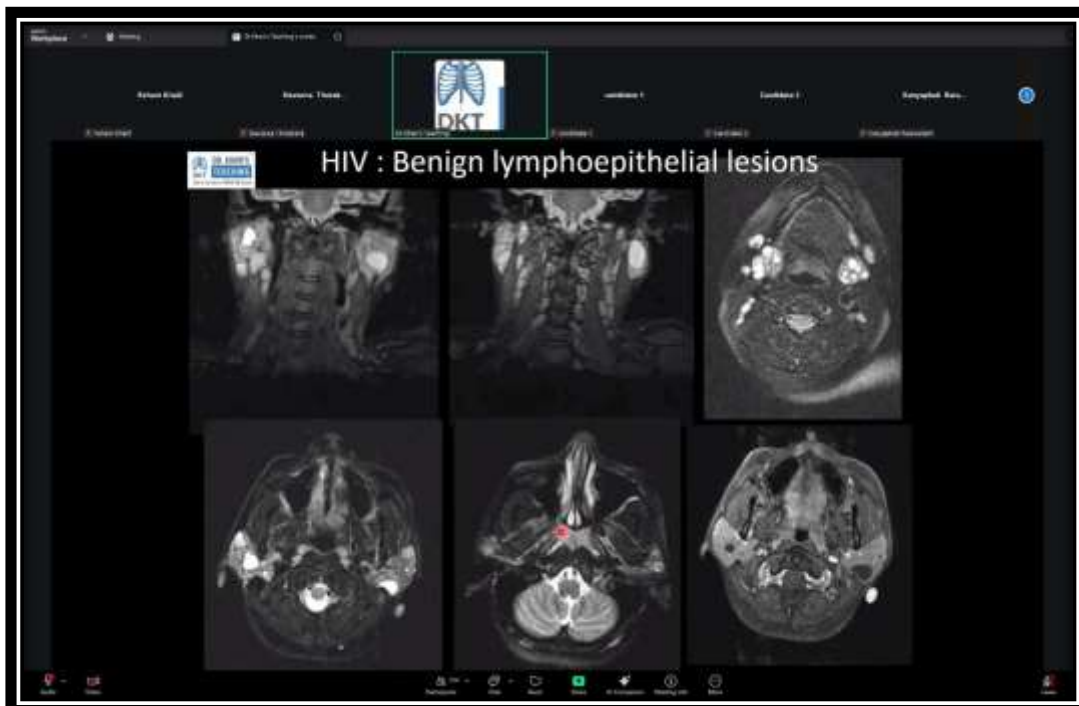

- Thanks Dr. Khan. Every session you lead leaves an imprint - deep, enlightening, and empowering. You elevate your students not just academically, but professionally and personally. You build doctors who think sharper, act wiser, and care deeper. We really appreciate it! (Malaysia).
- Thank you Dr. Khan for the high yield teachings you have been providing for years and years. Your great efforts are deeply appreciated (Sudan).
- Very nice session to teach us basics and some complexity of 2B exam. The teaching style of the examiner is excellent (Saudi Arabia).
- Thank you so much for the excellent cases with good demonstration of logical approach and sequences when tackling these scenarios (UK).
- The variety of the case covered almost all aspects of the exam. Good for exam preparation (Thailand).
- You indeed are a great and patient teacher. Excellent cases! (Nigeria).
- Grateful for your dedication to support my journey (Thailand).
- Thank you so much, our dear mentor Dr. Khan (Egypt).
- Getting to learn new cases and approaches was the best aspect of this session (Somalia).
- The slides with answers written in points as expected during exams were very helpful (UK).
- I loved the variety of cases covering a lot of subspecialties (Egypt).
- I liked how the session was case based with detailed explanation (Nigeria).
- Nice lecture and nice teaching (Egypt).
- Excellent lecture (UK).
- Thanks a lot for your efforts sir, we are grateful (UK).
- Very good, forever grateful to Dr. Khan and Team DKT (UK).
- Excellent session by Dr. Khan yet again! He has also mastered using Osirix and Zoom (Kenya).
