## Testimonials

- The lecture was very enjoyable and helpful. There were many challenging and interesting cases, as always. I want to say that Dr. Khan consistently trains us in sound reasoning, emphasizing differential diagnosis, and his engaging presentation style is truly invaluable. Listening to such high-quality lectures from the experienced Dr. Khan in radiology is extremely beneficial, not only for exams but also for our daily practice. I would like to thank Dr. Khan once again for this wonderful effort (Jordan).
