Testimonials

- Brilliant session, variety of cases and invaluable feedback to candidates, associated bit of teaching for every case is extremely helpful as well, many thanks our great teacher and DKT team (Egypt).
- It's a good teaching and revision session, which I enjoy. Many thanks to the organisers (Nigeria).
- The variety of cases and excellent explanation by Dr Khan were useful (Qatar).
- The hot seat style and teaching section on renal osteodystrophy was useful (South Africa).
- The variety of cases presented and the instructor management of the session was useful (Qatar).
- All were useful. HPT, AS, DD, Pleasant to listen lecturer. Repeating the most important features you must talk at the exam (UK).
- The interactive, feedback and explanations were useful (Canada).
- The explanation that follows each case is outstanding and offers a good revision (Nigeria).
- Very good teaching and interactive session (South Africa).
- Excellent content delivered superbly (Fiji).
- All were useful (India).
- Explanation by the moderator was most useful (UK).
- Very informative lecture (Sudan).
- Points on basic anatomy and other basics like how to differentiate T1 weighted from FLAIR and T2 weighted were useful (Pakistan).
- Despite being a re-broadcast, still a brilliant session (Iraq).
- Variety of cases was useful (Kuwait).
